COMPETING COMMITMENTS OUR PASTOR OR CHURCH BOARD FACES

WHAT IT WILL COST THE PASTOR OR BOARD TO IMPLEMENT OUR CHANGE

WHAT WE CAN DO TO PROVIDE A SOLUTION

»» Bringing more teenagers into the worship service (our proposed change)

»» The worship service would not be tailored to a specific demographic

»» Brainstorm ideas with the worship pastor for involving students in music leadership alongside adults, encouraging mentoring relationships and skill training

»» Improving the quality of the worship service by tailoring the music to forty- to fifty-year-old adults (the worship pastor's proposed change)

»» Some people might leave the church

»» Utilize students as greeters, readers, and communion servers to help increase engagement in non-musical ways
