

8 questions to ask your college freshman

1. Tell me about the friends you are meeting. What do you like about them?
2. Walk me through one of your days this week.
3. What's giving you energy these days? What's tiring you out?
4. Tell me about your favorite class. What do you love about it?
5. What has it been like to experience different churches or faith communities?
6. Have you or your friends ever found yourself in an awkward or scary situation? How did you or your friends handle it?
7. What's something you believe that you don't think I believe?
8. How do you want to invest your summer?
